

All The Way Services, LLC

All The Way Services (ATWS), LLC does not discriminate or allow the harassment of employees or applicants on the basis of sex, gender identity, sexual orientation, race, color, religious creed, national origin, physical or mental disability, protected veteran status, or any other characteristic protected by law with regard to any employment practices, including recruitment, advertising, job application procedures, hiring, upgrading, training, promotion, transfer, compensation, job assignments, benefits, and/or other terms, conditions, or privileges of employment, provided the individual is qualified, with or without reasonable accommodations, to perform the essential functions of the job. This policy applies to all our jobs. We ensure that our employees are treated fairly, without regard to their sex, gender identity, sexual orientation, race, color, religious creed, national origin, physical or mental disability, protected veteran status, or any other characteristic protected by law in all employment practices as follows:

Employment decisions are based on legitimate job-related criteria. All personnel actions or programs that affect qualified individuals, such as employment, upgrading, demotion, transfer, recruitment, advertising, termination, rate of pay or other forms of compensation, and selection for training, are made without discrimination based upon the individual's sex, gender identity, sexual orientation, race, color, religious creed, national origin, physical or mental disability, protected veteran status, or any other characteristics protected by law. Employees may choose to voluntarily disclose their sex, race, national origin, disability and protected veteran status at any time. Such information will be maintained in a confidential manner and will not be used against an individual when making any employment decisions. Employees and applicants with disabilities and disabled veterans are encouraged to inform us if they need a reasonable accommodation to perform a job for which they are otherwise qualified. We make, and will continue to make, reasonable accommodations to the known physical or mental limitations of an otherwise qualified applicant or employee to promote the employment of qualified individuals with disabilities and disabled veterans, unless such accommodations would impose an undue hardship.

We are fully committed to principals of equal employment opportunity and affirmative action. Our Affirmative Action Program includes an audit and reporting system, which, among other things, uses metrics and other information to measure the effectiveness of our program. We conduct periodic reviews of progress in the compliance and implementation of the policy of affirmative action. In accordance with public law, our program of affirmative action for qualified individuals with disabilities and the program of affirmative action for protected veterans are available for inspection upon request.

In addition, employees and applicants will not be subjected to harassment, intimidation, threats, coercion, or discrimination because they have engaged in, or may have engaged in, filing a complaint, assisting or participating in an investigation, compliance review or hearing, or other activity related to the administration of Section 503 of the Rehabilitation Act of 1973, the Vietnam Era Veterans' Readjustment Assistance Act of 1974, Executive Order 11246, all as amended, and/or any other federal, state, or local law or regulation regarding Equal Employment Opportunity, opposing any act or practice made unlawful, or exercising any other right protected by such laws or regulations.
